

# Insurance Coverage Information

## ASAP works with insurance companies to provide affordable treatment.

Our mission is to provide high quality treatment at an affordable cost. With the passing of the Affordable Care Act, treatment is now more accessible than it has ever been. We will work directly with your insurance company to cover your treatment expenses. ASAP is in network with most companies to cover the [TRIP](#) program. You can call your insurance company to receive a benefits quote (ask specifically about "Intensive Outpatient for Substance Abuse in a Facility"), and/or ASAP will gather your information during our [intake](#) and make the call for you.

As mentioned, ASAP contracts with most major companies. If you do not see your network listed, please call us to determine your network status. ASAP has standing contracts with:
